*(Print off the pdf-My child and just read over His love for you)*

Sisterfriend, I cannot write words enough to tell you how much God loves you. But please, take a few minutes to sit still at some point today and feel that love, to let Him rejoice over you with singing. To let Him just love on you. Do not talk to Him, do not ask Him for anything, just let Him, for one moment, be all about you and His love for you. I promise you will not walk away the same.
